	18) So far as the Shimoga District is concerned there is one tile factory at Honnalli and two at Sagar. In various reasons these factories have not been able to produce their maximum output but their condition is steadily improving. If these factories are fully developed there is likely to be an adequate supply of tiles to meet local requirements. The clay is good and the quality could be made equal to the imported tiles from Bangalore. The recent increase in the carrying rates of fuel for industrial purposes to the Dravidian Railways is likely to hit these industries very badly. One ton of fuel is required to burn a thousand tiles. Having regard to the high cost

to be paid and the other costs of production such a rate affects the ~~farmers~~ profits. I strongly recommend therefore that as a means of developing these districts in the Kolhapur Special facilities should be provided to obtain fuel and to bring imports cheaper

(4) As regards the Kodoli Project there is only one small factory at Sangaon which is in a very flourishing condition All these factories suffer from lack of capital. If this factory is developed it is obvious that the factory at Warna will be able to supply all the requirements of the Kolhapur State and Sholapur Gadhinglaj Subdivisions. As regards the supply of coffee carts from the Warna factory the chief of the people are engaged in coffee cultivation. I do not think that the people of the Kolhapur State have any difficulty in obtaining

note Ls. 6/7/21

their requirements

20) In regard to Irongarbad Salt there was formerly a small tile factory at Salt Lake but after the death of the last proprietor the factory failed though the clay is suitable. This industry deserves encouragement I have found it difficult to induce any of the local people to take it up. The matter is now receiving my attention. In the Irongarbad & Pelun Salt Lake area there are a large number of tile kilns.

21) The only inconvenience in the present arrangements is that it is only people that have direct dealings with Irongarbad that can get their tiles in this way and there will certainly be an advantage in opening a local source of supply. The chief difficulties are (1) selection of a suitable centre (2) the demand may not be sufficiently great to meet the expense of the establishment required for instance it is advised that the

total quantity of tobacco annually required in the Northern Islands is about 1½ lakhs. However carefully selected the depot may be, it will not be able to meet more than a third of this demand. Even if we allow a margin of Rs 15 for selling expenses per one thousand tobacco the profit will be so small that there is likely to be a heavy loss on the depot.

22) On the whole I think that the practical difficulties in the way of opening these depots will more than counterbalance their usefulness. If any private agencies come forward, Govt may give a small subvention say of Rs 5 on every thousand tobacco sold provided the total sales in any year do not fall below 50,000 for a period of 5 years.

23) Better results I am certain however will be achieved in helping the existing factories to be placed on a business footing and giving them some help in the initial stages.

Yours sincerely
Sd/- J. C.

Enclosure No. One.

Sir,

With reference to your letter No. L.2140-3/L.3,67-21-3 dated 4-10-21 in the matter of opening Tile Depots at suitable centres for the convenience of the Public, I have the honour to state that after consulting the Sub Divisional Magistrate, Tarikere and the Assistant Commissioner and the Amildar of the Kadur District Board at the last District Board meeting on the 18th instant and it was resolved that a Depot may be opened at Narasimharajapura for the present as an experimental measure in the matter the subject was placed for discussion at the last District and that the sale thereof be entrusted to private agency for a commission. Shantappa Patel of Narasimharajapura and a District Board member has undertaken to arrange for storing them in a building free of charge for selling them provided a commission of 3 per cent is paid. Intending purchasers may deposit the cost of the tiles in the Narasimharajapura Sub Bank and on production of the receipt in the Depot, the tiles for which payment has been made may be delivered.

A sum of Rs. 1,000/- is required for the purpose for the present. There is a store attached to the Department of Public Works at Chikmagalur and arrangements may be made for the sale of tiles to the Public in the stores.

It is therefore suggested that two Depots be opened for the present in the Kadur District, one at Narasimharajapura and the other at Chikmagalur and the Board.

Sir,

With reference to your letter No.L.2160-2/Z.R.C.-21-1 dated 4-10-21 in the matter of opening Tile Depots at suitable centres for the constant supply of cheap tiles to Malnad parts, I have the honor to state that after consultation with the Sub Divisional Assistant Commissioners and the Amildars in the matter the subject was placed for discussion at the last District Board meeting held on the 16th instant and it was resolved that a Depot may be opened at Narasimharajapura for the present as an experimental measure and that the roofing and ridge tiles be purchased at the cost of Government and that the sale thereof be entrusted to private agency for a Commission. Mr. Shantappa setty[a]sahukar of Narasimharajapura and a District Board member has undertaken to arrange for storing them in a building free of charge and for selling them provided a commission of 5 per cent is paid. Intending purchasers may deposit the cost of the tiles in the Narasimharajapura Sub Taluk and on production of the receipt in the Depot, the tiles for which payment has been made may be delivered.

A sum of Rs3,000/- is required for the purpose for the present.

There is a stores attached to the Department of Public Works at Chikmagalur and arrangements may be made for the sale of tiles to the Public in the stores.

It is therefore suggested that two Depots be opened for the present in the Kadur District, one at Narasimharajapura and the other at Chikmagalur as resolved by the Board.

A copy of the resolution passed in the matter is enclosed herein for information.

Sir,

With reference to your letter No. R. 2140-2 L.B. 67-21-2 dated the 4th October 1921 on the subject of opening tile depots at suitable centres in the mahnad, I have the honour to state that the views of the Taluk Boards of Shikarpur, Sorab, Sagar (1) (2) (3) Nagar, Tirthahalli and Kumsi were obtained in the matter. The (5) (6) Taluk Boards of Sagar and Tirthahalli have stated that there is no need for opening a depot as there are Tile Factories in these places. The other Taluk Boards except Kumsi have stated that it is not possible for them to open any depots. The Taluk Board of Kumsi has stated that in case a depot is opened at Ayanur, Mr. Totappayya, a member has agreed to spare a portion of his chatram free of rent for storing tiles.

2. The subject was placed before the District Board at their meeting held on 24th March 1922. While recording the communication, it was resolved that no action was called for on the part of the District Board. A copy of the resolution passed on the subject is enclosed herein for information.
